

Information for burying Pregnancy Tissue

Choose a place to bury your tissue on private land.

Dig a deep hole (approximately the length of your forearm).

Remove the “sock” from its packaging, cut the plastic top (blue) off the sock, place the sock into the hole then cover with soil. The blue top and packaging need to be disposed of in a general waste bin.

Auckland City Hospital

If your pregnancy tissue is being held at Auckland City Hospital, it will be held for a maximum of 28 days only. You are required to arrange a collection time and date,

Please contact Frances Murray on:

(09) 307 4949 ext. 23033,

MOB : 021 813 463
