Day Assessment Unit (DAU)

A Unit that facilitates Outpatient management of high risk women who require planned regular interim care.

Referral Criteria

- GPH Reassessment/follow-up
- CTG monitoring of IUGR, twins, Oligo/
Polyhydramnios
- Reduced fetal movements (Increased surveillance)
- Postdates CTG and liquor volume, interim care for postdates after induction confirmation
- Referrals for ECV's (must meet criteria)
- Cholestasis surveillance after initial formal review
- Iron Infusion (all referrals from clinic only)
- SGA pathway referrals from clinic

Referrals received from

- Clinics
- A/N wards
- WAU
- Private obstetricians
- LMC after there has been an initial secondary consultation

Hours of operation

Monday to Friday

7.00am– 3.30pm

First appointment 7:00am

Last appointment 2.30pm

Location

DAU is inside the Women's Assessment Unit (WAU)

Staffed by senior midwives working in liaison with the On call Consultant for WAU

Plan of interim care must be documented on Healthware

How to refer

- Ensure the woman meets DAU criteria
- Complete the referral form for the woman including a future management plan
- Fax the form to DAU on Tel No: 6309814 or x25908
- This must be done prior to the initial appointment
- **Phone DAU to make the initial appointment.** Out of hrs phone will divert to WAU ward clerk.
- Give the woman DAU information leaflet
- Inform LMC.
