

You can get vaccinated at any stage of your pregnancy, while breastfeeding or trying for a baby

**Book in now or find out more -
vaccinateforauckland.nz**

If you're pregnant, you can get very sick if you have COVID-19. And there's a significant risk of miscarriage and pre-term delivery.

Just turn up at one of our vaccination sites

 visit vaccinateforauckland.nz for details.

Or you can make a booking

 visit bookmyvaccine.nz

 call 0800 28 29 26

Getting vaccinated is the best way to protect yourself and your baby

**Unite
against
COVID-19**
