Care during birth

If you don't have a self-employed Lead Maternity Carer (LMC), obstetric and midwifery care will be provided by our Labour and Birthing unit staff.

Care after birth at home

A midwife will visit you at home within 24 hours of being discharged from the hospital or Birthcare. If no one has visited you and baby during this period, let your LMC know.

Parking

Wilson's carpark is located in the hospital grounds. Try Carpark A first then B. Alternatively there's meter car parking along Carlton Gore Road.

There is free 90 minute, 2 hour, and 3 hour parking in the Auckland Domain.

Be aware that parking inspectors frequently monitor these areas.
